

KERR IT solutions

Thanks for Visiting Us at the Rockhampton Home & Lifestyle Expo!

On the weekend you stopped by the **Kerr IT Solutions** stand at the **2026 Rockhampton Home & Lifestyle Expo** and had a go at our Ping Pong Ball Challenge. Firstly, thank you! We had an absolute ball (pun intended) meeting so many locals over the two days.

The competition proved to be much harder than it looked. In total we had:

- 🏆 **9 entrants** land a ball in the **Small Hole**
- 🏆 **34 entrants** land a ball in the **Medium Hole**
- 🏆 **390 entrants** land a ball in the **Large Hole**

The winners from each category were randomly drawn and contacted on Monday afternoon. Congratulations to everyone who won, and a huge thank you to everyone who entered!

We'll Be Back!

The Rockhampton Home & Lifestyle Expo continues to be one of our favourite local events, and we'll certainly be back again next year.

If you're looking for another great local event, our next stop will be **CapriCon Pop Culture Convention** at the **Rockhampton Showgrounds** on **Saturday 29th August**.

If you're coming along, make sure you drop in and say hello. We'll have plenty of

gaming gear, the latest technology, and our team on hand to answer any questions you might have.

Welcome to Kerr IT Solutions Tech Insider

As part of your competition entry, we've added you to our **Kerr IT Solutions Tech Insider** mailing list.

Every couple of weeks we'll send you practical technology advice, cybersecurity alerts, buying guides, and simple tips to help keep your computers running smoothly and your personal information safe. No spam, just useful information from your local IT team. And don't worry, if you decide the newsletter isn't for you, simply click the **Unsubscribe** link at the bottom of any email and you'll be removed straight away.

Once again, thank you for stopping by our stand and helping make the **2026 Rockhampton Home & Lifestyle Expo** another fantastic weekend. We look forward to seeing you again soon.
